

BOOSTAPAK

trunki
luggage for little people

Booster seat & back pack

BoostApak is the latest ingenious product from the Trunki brand. The law requires all children under 12 years old or 135cm in height to use a booster seat, so it's important to always have one with you. We understand that this often isn't convenient. BoostApak is the ideal solution; a spacious, hand-luggage approved back pack which doubles as a booster seat - perfect for family holidays and car-pooling.

BoostApak is certified to regulation ECE R44.04 for group 2 and 3, suitable for children aged between 4 – 11 years.

Features

- 1 Unique fold-out seat belt guides**
With quick release button to fold back down.
